Lake Gibson Village is Pleased to Introduce The Generational Bridge Club!

The days of family members living in close proximity are long gone. It is more common today to find extended family members living miles away from each other.

Recognizing this need and wanting to do something about it, prompted Lake Gibson Village to form a new social club designed to strengthen the socialization between the generations.

Who are The Generations?

It is important to understand the differences between generations so that we can see where others come from and how we are all similar.

We thought it would be fun to explore the unique attitudes and beliefs of our ever-evolving generations starting with the youngest, Generation Z and graduating to the wisest, the Silent Generation.
