

We are a "Best of the Best" Finalist!

We have reached the final round of *The Ledger's* "Best of the Best" awards for Polk County 2018.

In 2017, we were thrilled to win best Independent Living Facility in our first year of operation.

In the past year, we have added Assisted Living services for residents. We are hoping to take home both awards this time!

We would be honored if you choose to vote for us in both categories.
